### NEARING DANGER LINE.

Rise in the Ohio River—Low Grounds Submerged.  
PITTSBURG, Pa., Jan. 14.—The rivers continue to rise and a high stage of water is assured. It will reach the danger line, but the river men do not look for a disastrous flood. The low lands are already inundated and residents of the North and South sides living along the banks of the streams are preparing to move to higher ground.

At noon there was 194 feet of water in the channel and rising 4 inches an hour. A stage of 25 feet or higher is looked for here before tomorrow morning. No serious damage has been reported so far.

### Reinmakers at Work.

PITTSBURG, Cal., Jan. 14.—Three reinmakers arrived here last night and will proceed at once to demonstrate what they can do. The weather is dry and cold and there is no probability of rain in the appearance of the sky, so if rain falls it will be much to their credit. This town is surrounded by nearly 10,000 acres of land, which is being put in wheat, and the assurance of rain would well be worth \$1 per acre to the farmers.

### Grain Rate Lowered.

SAN FRANCISCO, Cal., Jan. 14.—The iron ship Formosa was chartered yesterday to carry wheat from here to Liverpool at \$4.80, stated to be the lowest rate ever made here for a wheat charter for a similar voyage.

Annual Meeting of the Young Men's Hebrew Association of America.

RABBI SALES' OPENING ADDRESS TO THE ASSEMBLED DELEGATES.

The Work of the Association During the Past Year and the Work They Have to Do—Reports of Officers—The Hebrew Charity Ball To-Night at Exposition Music Hall.

The annual convention of the Young Men's Hebrew Association of America convened at 10:30 this morning in parlor 22 of the Lindell Hotel. The convention was well attended, delegates and proxy-holders from a large majority of the associations being present. The following gentlemen answered the roll-call: Dr. M. Eisenberg, Birmingham, Ala.; Isaac W. Bernheim, Henry Levy, Jos. Block, Julius Mayer, Louisville; Alfred M. Cohen, Elias H. Phillips, Rev. Charles Levy, Maurice Sachs, Cincinnati; L. G. Pope, Benj. Levy, Memphis; Isaac L. Geheon, Lee Gale, Lewis Godlove, Nathan Kaufman, St. Louis; Rev. Samuel Seay, Montgomery, Ala.; Henry Harris, Pittsburg; Rabbi A. Rosentreter, Greenville, Miss.; Rev. H. J. Mason, Cleveland, O.; Julius Cook, Little Rock; Max Lipschultz, Newark, N. J.

The meeting was called to order by National President Alfred M. Cohen of Cincinnati, and was opened with prayer by Rev. S. Sale. An address of welcome was then delivered on behalf of the St. Louis branch of the Society by Isaac L. Schoen. President Cohen then read his report. After expressing his gratification at being able to give so good an account of the progress of the society during the year, he took up the question of the responsibility devolving upon the American Hebrews in regard to the great number of Russian Jews who were coming and had come to this country, having been driven from their native land by the oppressions exercised by the Czar. These refugees were generally uneducated, and were utterly ignorant of the modes of thought and methods of government prevalent in the United States. Many were agriculturists, and some were artisans, but a very small percentage of them were capable of doing anything of the requirements of American life in this country. The Young Men's Hebrew Association of America could do no better work than to take charge of those refugees, and especially of the younger ones, and by education and training, incidentally referred to the value of manual training schools. The reports of the Secretary and Treasurer were then read, showing the membership to be increasing and the finances to be in an excellent condition.

The morning session was spent in receiving and discussing the various reports and an adjournment was taken at 5 o'clock this afternoon. The evening session was particularly favorable, showing a surplus in the treasury, and a large addition to the membership. During the afternoon session the reports of the various sub-committees were read, and applications from a number of cities that have not yet been represented were received. The delegates voted to adjourn until Friday afternoon at the earliest, and may continue longer. The delegates will attend the charity ball at the Exposition Building this evening in a body.

### HEBREW CHARITY BALL.

THE HANDSOME AFFAIR TO BE HELD AT THE EXPOSITION TO-NIGHT.

The grand charity ball in aid of the United Hebrew Relief Association will be held in the Music Hall of the Exposition Building to-night. It will be one of the handsomest public balls ever given in St. Louis. The hall will be handsomely decorated with flowers, flags and bunting and it is expected that 500 or 600 couples will take part in the grand march with which the ball will open at 10 o'clock. The carriage arrangements will be the same as govern the United Hebrew Relief Association. Harry A. Guinsburg is chairman of the Floor Committee (white badges), and has detailed forty young men to make the occasion pleasant. Chief L. A. Harrison has ordered a special police detail, not only to preserve order outside of the building, but to assist in excluding objectionable persons who may in some way have secured tickets. The Executive Committee (blue badges) will be stationed near the door.

"Appeals from helpless men, women and children, clamoring for assistance, are increasing daily; the poor Russian Israelites, victims of fanaticism and oppression, plundered and driven from their homes and from the land of their birth, have sought refuge on our shores; the drift of travel has brought many of these people to our city, and in providing for their support, in addition to the usual wants of our home poor, the United Hebrew Relief Association finds its treasury depleted; therefore it has been resolved to give a grand ball as the best means to raise funds, and it is hoped that you will aid in making the occasion a success."

### Y. M. C. A. Election.

The annual election of Directors of the Y. M. C. A. to take the places of those whose terms have expired, is being held at the central branch, Pine and Twenty-ninth streets to-day, the polls being open from 9 a. m. to 8:30 p. m. The regular ticket is as follows: S. S. McPherson, Seaton F. Spencer, James H. Allen, H. Brinmade and John H. Keith. It will be doubtless be elected without opposition. The board is composed of thirteen members who serve three years each, one third of the board being elected each year.

The annual meeting of the association will be held at 8 o'clock this evening, at which time the annual reports of the standing committees will be presented. The address by John W. Haniel of Chicago on "The Educational Work of the Association," Mr. Haniel is General Secretary of the Western Y. M. C. A. Institute, and of the Y. M. C. A. Training School, and is therefore very well qualified on the subject. He was formerly General Secretary at St. Joseph and Kansas City, and is well known in St. Louis. While here he will be the guest of G. E. Connelley, General Secretary of the St. Louis Association.

### THOUGHT TRANSFERENCE.

Prof. Davidson, a Former St. Louis Teacher, Gives Valuable Testimony.

The December number of the Psychological Research Society's Journal gives several cases of apparent thought transference during sleep, two of them being reported by Prof. Thos. Davidson, formerly teacher of Greek in the St. Louis High School. The reports of the society are for members of the society only, as many people do not like to have their experiences in telepathy made public, but Prof. Davidson tells Mr. Hodgson, the secretary of the American branch of the society, that he is at liberty to publish this one, which he has done in the present issue.

In the letter received by Prof. Davidson from Mr. Weston, dated in a wind way that Mr. Weston, who was in England, had sent him a postal card saying he was coming on Wednesday. At 10 we started for Upper day, some nine miles off. On our way home we called at the post-office and there I received from Mr. Weston the enclosed letter, the unopened part of which I read to myself. The letter was dated the 6th of last June, Prof. Davidson whom I knew, had sent me a postal card saying he was coming on Wednesday. At 10 we started for Upper day, some nine miles off.
